A Heated Rivalry live show is happening in Montreal on Sept. 28, featuring four acts whose music was used on the soundtrack of the hit Crave TV series: Dumas, La Bronze, Philippe B and Night Lunch. The event will also feature a Q&A with score composer Peter Peter.

The POP Montreal event at the Rialto Theatre also promises “other special guests,” and tickets include a signed copy of the hardcover special edition of Rachel Reid’s *Heated Rivalry* novel (in English or French).
