HEATED RIVALRY – The Unauthorized Musical Parody

Things are about to get Stick-y!

 Based on the hit *Crave* show about hockey, HEATED RIVALRY: THE UNAUTHORIZED MUSICAL PARODY follows starry-eyed golden boy Shane Hollander in his journey from power center to power bottom.

See all of your favourite moments from the series that made you wet (with tears) up close on the small-stage by an incredible cast of well-known actors who thought they were auditioning to be in Season 2.

With a pop-infused score of toe-tapping original songs, scene-stealing cameos by characters like Rose Landry and Ilya's Ass, and time jumps that absolutely no one can keep track of, audiences will find themselves hot, bothered, and possibly saying, "...girl!"

Because with love, sometimes it comes when you least expect it... and sometimes, it comes hands-free.

So, grab a Canada Dry and enjoy this hot and steamy **staged reading** of the hit Off-Broadway musical!
