There hasn't been a day when *Heated Rivalry* hasn't crossed my mind [since the very first episode](#) aired. Its leading men have also become bona fide superstars in the process—hi, [Connor Storrie and Hudson Williams](#)!—which means that they haven't left my screens much, either. So, naturally, I'm turning towards my favorite show for Halloween costume inspiration this year. The inspiration is there!

You could go for a low-key, practical look, like the shearling-lined denim jacket Kip wears later on, or go for full glam in Rose Landry's club ensemble. Or, you can find a plethora of easy costumes for all of Halloweekend.

Odds are, many of the pieces you need to build these looks are already hanging in your [dorm](#) room closet, but I scoured the internet for every item you should buy before the big weekend hits. These make for perfect [couples](#) costumes, but some can also be worn solo. Here's looking at you, Ilya's viral floral button-down!

Keep scrolling to see (and shop) the very best *Heated Rivalry* looks for Halloween 2026.

Shane and Ilya's jerseys

Sabrina Lantos

You can't go wrong with Shane and Ilya's jerseys. This will make your fandom totally clear and be a great conversation starter. If you want to be conscious about [sustainability](#), snag a vintage jersey. It's a bit tongue-in-cheek too.

Rose and Svetlana's club looks

I love Rose and Svetlana's sparkly mini. They're the perfect Y2K-inspired fashion find that you can wear on Halloween, but also to your birthday party or a night out. Earn extra points if you match their hairstyles, too.

Kip and Scott's on-ice reunion

sabrina lantos

Thinking about this scene still makes me cry, but that won't stop me from recommending that you dress up like Kip and Scott's on-ice reunion. Kip's shearling jacket also doubles as the perfect antidote to chilly Halloween weather.

Choose your fighter: Are you Lyla's floral button-down or Shane's very stylized white blazer? Either way, this tension-filled scene is one of my favorites from the series. It's also more subtle, so it's a fun if-you-know-you-know nod. Want to go the extra mile? [Check out the perfume Williams wore while filming.](#)
